They were fine, the chili was good, my husband did the red chili and I got the green chili, I did ... should ask if they had anyone who was a little warmer and they did. Service was good. More The person behind the counter was very friendly and helpful, and my meal was freshly boiled, including the bacon. Overall, it was comparable to similar places like whatasumthin;. However, I'll go elsewhere next time and get a thick and juicy burger. Open0.46 mi Hours Does This Business Claim It's Your Business? Now demand to update business information and menu immediately! Bender 3 cigarette size burritos, sequence of rolled tacos (3), large Dr. pepper (\$2.69). WTF? Total \$19.00. I'll never go back! And the ride thru speaker sucks tool 09/11/2009 - Jake Awesome mexican food! Way better than santa fe roster. 07/23/2009 - A. Johnson Absolute Worst Service I've Ever Received!! The employees at this location are the most rude people working in customer service. Food is alright, but not worth it with such terrible customer service. I would recommend any of the Santa Fe Grill's inside the Pic Quik stores. Not just be is always nice and willing to go above and beyond, but their food is always excellent! 1 Review 1 review with a rating of 5.0 stars and no comments.
